## **Minimum Advertised Pricing (MAP) Policy**

Savvy Co. works hard to ensure that all authorized dealers provide resellers and consumers with the advice, service, knowledge, and support necessary to maintain the highest level of customer satisfaction.

Savvy Co. concludes that certain types of advertising/pricing can affect goodwill and is damaging to the standards and reputation of brands represented under the Savvy Co. umbrella. (See Schedule A) Therefore, Savvy Co. has implemented a Minimum Advertised Price (MAP) policy effective May 1, 2015. The objectives:

1. To ensure that our dealer-product relationships are consistent and value based.
2. To maintain the proper positioning of our brands in the marketplace.

The MAP Policy: Dealers may advertise brands under the Savvy Co. umbrella at or above the minimum advertised price. The MAP is published in the attached price list. Brands include but are not limited to VēDO™, OhhhBunny™ and Naughty Appetites™.

For purposes of the MAP Policy “advertising” means any advertising through authorized media. Authorized media consists of billboards, newspapers, magazines, catalogs, brochures, direct mail, retail flyers, television, radio, e-commerce, forums and dealer internet sites or any other method which uses the hypertext transfer protocol (“http”) or any internal link to a web based shopping cart is considered advertising for the purposes of this policy.

Advertising at prices below the MAP violates the MAP Policy. MAP price with a “strike through” treatment is not considered a proper display of the MAP price. Final sale price must be equal or higher than MAP price. Any advertised price, discounts such as coupons, or free accessories resulting in an effective advertised price of Savvy Co. products at less than the MAP will constitute a violation of the MAP Policy. Selling on Amazon and/or ebay is permitted as long as pricing is compliant to Savvy Co.’s published MAP pricing. A Dealer who advertises bundles of products, which include VēDO™, OhhhBunny™ and/or Naughty Appetites™ products, must also advertise the price or value of the products at or above the MAP.

Savvy Co., from time to time, may sponsor special promotions or rebates to which this MAP Policy will not apply, as designated by Savvy Co. at its sole discretion.

Savvy Co. will monitor compliance with this policy. Savvy Co. may, at its own discretion, stop supplying products to any Dealer found to be in violation of the MAP Policy. Questions about whether a planned advertisement complies with this policy should be directed to Savvy Co. at (818) 217-4377 or [info@savvycompany.com](mailto:info@savvycompany.com) for guidance.
